---

Gentlemen, I am going to have to cancel the deposition tomorrow. I am sorry to give you such short notice, but I have a general run down feeling and chills throughout my body. This is similar to the feelings that I experienced when I had a seizure last July and had to be hospitalized. My doctor told me to see him tomorrow at 10:00AM and to get some rest. I will contact all of you by email tomorrow and update my status for Friday.
